

Getting your Purolator Activation Key

Last Updated: January 2015

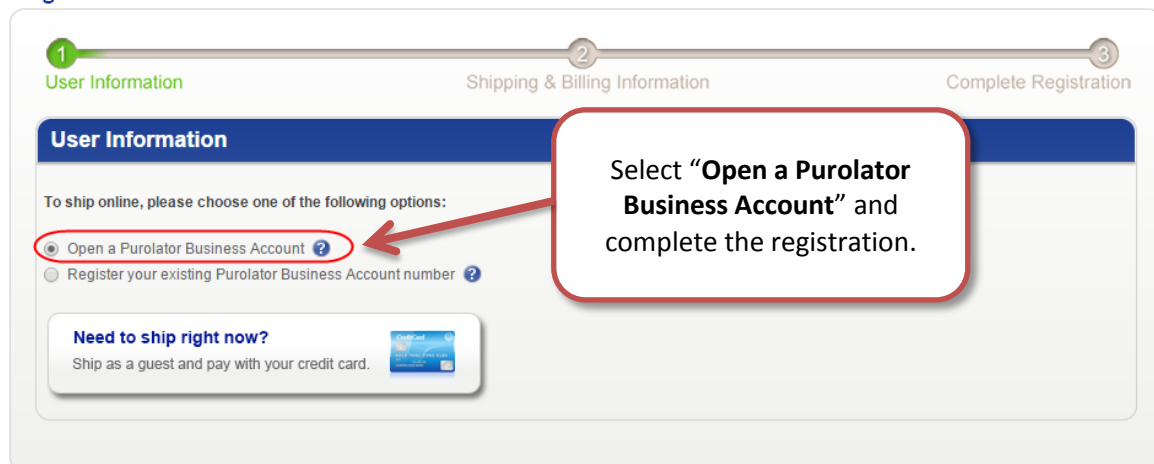

If you have an online store that is based on an ecommerce platform, you will need an Activation Key to set up your Purolator shipping extension. Follow these steps to get your Activation Key.

1) Open a Purolator Business Account

You must have a Purolator Business Account in order to generate an Activation Key. If you already have one, please skip to step 2.

If you don't have a Purolator Business Account, apply for one by visiting www.purolator.com/register.

Registration

The screenshot shows a three-step registration process: 1. User Information, 2. Shipping & Billing Information, and 3. Complete Registration. The 'User Information' step is active. It asks the user to choose an option for shipping online. The first option, 'Open a Purolator Business Account', is selected and circled in red. A red callout box with an arrow points to this option, containing the text: 'Select "Open a Purolator Business Account" and complete the registration.' Below the options is a section titled 'Need to ship right now?' with a sub-option 'Ship as a guest and pay with your credit card.' and a credit card icon.

2) Register for the Purolator E-Ship[®] Resource Centre

Visit the Purolator E-Ship Resource Centre at www.purolator.com/eship and click "Register".

On the registration form, select the 3rd option under "Web services profile". Complete the form and click "Submit Registration".

Purolator E-Ship[®] Web Services Registration

Registering for the Purolator E-Ship Resource Centre is fast, easy and free. Once you've registered, you can:

- View Web Services documentation and sample code
- Obtain a Web Services Development Key
- Request a Web Services Production Key
- Access the Purolator E-Ship Developer Forum

Web services profile

Get started by selecting the profile the best describes you.

- I'm a developer and want to integrate Web Services into a website or application. ?
- I have development resources and want to integrate Web Services into my website or application that won't be re-sold. ?
- I want an Activation Key to set up Purolator shipping with my online store. ?

Profile information

3) Activate your registration

An email will be sent to the email address you entered during registration. Open the email and click the activation link.

Complete your registration

Please login to complete your registration. Your account will be activated after a successful login.

Activate your registration by logging into the E-Ship Resource Centre with your email and password.

4) Complete the Activation Key form

Enter your email and password once again to access the E-Ship Resource Centre. Then complete the Activation Key form to get your key.

Obtain an Activation Key

If you have an online store that is based on an e-commerce platform, you'll need to obtain an Activation Key in order to start shipping with Purolator. Please complete the form below to receive your Activation Key.

If you need assistance, please call the Purolator E-Ship Help Desk at 1-800-459-5599, or visit the [Support](#) section.
